Memo No-.....46.../JRSU/VC

Dated:-09/10/2020

**Sub. - Implementing the Academic calendar of 2020-21 issued by UGC-
Regarding.**

With regard to the above subject, I would like to bring to the notice of all faculty members that the UGC has issued the Academic calendar for the Academic year 2020-21. This should be strictly adhered to by one and all. In this process we must start "off-line" classes for the students from 2nd November 2020, 1st November 2020 being Sunday.

ii. I would request all the faculty members to prepare lesson plans as per syllabus and adopt most appropriate pedagogy to impart the curriculum to the students. You must keep the special needs of weak students in mind. You can teach bi-lingually for better understanding the basic concepts. Needless to say that you must be enthusiastic while teaching and encourage questions from the students.

iii. Wishing you all a fulfilling and purposeful teacher-student engagement.
