ABOUT THE WEBINAR

The whole race of humanity is facing the unprecedented crisis in the terms of Novel Corona Virus. Never in the history of the mankind, the disruption of this magnitude has occurred. Youth in India constitutes about more than one-fourth of the total population. They have a very important and pertinent role in taking country out of the shackles of the ongoing health and economic crisis. The proposed webinar under the aegis of Department of Disaster Management of the Jharkhand Raksha Shakti University aims at deliberation on the role of youth to address the challenges posed by recent disaster and pandemic, Covid - 19. This becomes although more important because of the stress posed by the second wave due to delta variant of SARS-CoV-2.
